Office of the Dean

16 November, 2012

Dear Dr. Wright:

Congratulations! You have been awarded one of the five awards granted by the Bagwell College of Education Global Engagement Grant Program for Spring 2013. With this funding (\$2,500), I am hopeful you will advance your research/scholarship agenda that aligns with KSU and BCOE global learning goals as described in your proposal – “Student Teaching in Uganda.”

I look forward to reading your Funding Report (1-2 page summary of the work you accomplished with the award) in August 2013. Please submit your report electronically to Ms. Connie Lane at clane@kennesaw.edu. Future global engagement funding from the Bagwell College of Education Global Engagement Grant Program will require this report.

Sincerely,

Arlinda J. Eaton, Ph.D.

Dean
