

FREE MARKETING OPPORTUNITY

We are hosting The Edge Connection's largest fundraiser of the year, the 2014 Champions for Change Breakfast, on June 25, 2014. We are expecting 250-300 guests, including local area business owners, supporters, and community members. Edge Connection entrepreneurs are invited to donate non-perishable marketing items to be included in the event bags that will be given to all of our attendees.

This a great opportunity for you to advertise your goods or services simply for the cost of items you donate. Do you have branded pens or other marketing items you would like to include? Or a sample of your product you would like to distribute to potential customers? If you would like to participate, a minimum of 25 items must be donated due to the large number of attendees.
