

Launch Party 2014

Join us as we honor our Entrepreneurs!

The Business Launch Party is about celebrating and honoring our entrepreneurs of the past year. Joins us for those who are "On the Launch Pad" preparing to launch their business (or launched in the Last 12-Months), who are "On The Way Up" who have been in business for 12-36 Months, or "Flying High" for those who have been in business for 36 Months or More.

Free Family Fun to One & All

The event is always free and has fantastic speakers from the actual entrepreneurs themselves to members of our very own Board of Directors and Board of Advisors. Also, please feel free to browse our vender area filled with our very own entrepreneurs and have the kids participate in the arts & crafts section. Joins us year to year as we celebrate the backbone of our economy!
